

Request for Proposals (RFP)**Actuarial Consultant to the Massachusetts Port Authority Employees' Retirement System & the Massachusetts Port Authority Retiree Benefits Trust**

The Board of the Massachusetts Port Authority Employees' Retirement System (MPAERS) and the Committee of the Massachusetts Port Authority Retiree Benefits Trust (RBT) is seeking proposals from qualified actuarial consulting firms to perform actuarial valuations for both the retirement benefits provided by the Massachusetts Port Authority for their employees under Massachusetts General Law Chapter 32 and Section 2 of Chapter 487 of the Acts of 1978 and retiree benefits for group health, life and dental insurance collectively referred to as "OPEB" or "other post retirement benefits". As of January 1, 2020 the MPAERS and the RBT have assets totaling approximating \$716 million and \$242 million, respectively. The RFP can be downloaded at <http://www.massport.com/massport/business/bids-opportunities/current-opportunities/> Completed responses must be received by 5:00 pm on September 18, 2020.
